

Clinical Supervisor

Permanent - 35 hours/week (Full-time)

Catholic Family Services of Peel-Dufferin (CFSPD) is a non-profit, charitable organization reflecting the values consistent with Catholic social teachings. CFSPD is a dynamic, growing family service agency with offices in Mississauga, Brampton, Orangeville and Bolton.

CFSPD is committed to providing a positive work environment for its employees and excellent services to its clients. Our clinicians have the flexibility to practice from a range of evidenced based and systemic clinical approaches such as EFT, CBT, DBT, SFBT, etc. depending on their training and competency as well as the unique needs of the clients.

Position Summary

CFSPD is currently seeking a Clinical Supervisor who will assist the Program Manager in the development, implementation, and day-to-day operation of the clinical program. The Clinical Supervisor will provide individual and group supervision to therapists and interns in relation to their clinical work with clients and their own development as clinicians. The incumbent will also carry a small caseload of clients.

The candidate would have a master's degree in a related field (e.g. social work, counselling psychotherapy, psychology, etc.), extensive experience providing individual, couple, family and group therapy on a wide range of clinical issues and a strong ability to meaningfully integrate therapeutic theory and practice. In addition, the candidate will have training and significant experience in providing clinical supervision to individuals and groups. High competence in the use of single-session consultations and brief/solution oriented therapy is an asset.

Responsibilities

- Provide clinical supervision, consultation and training to staff, and interns.
- Offer individual, couple, family and group therapy, dealing with a wide range of clinical issues including complex trauma, abuse, mental health, crisis, and addiction.
- Maintain and strengthen collaborative relationships with community partners.
- Represent agency to further collaborate with community partners on various projects and initiatives as assigned
- Develop and update program curriculum and tools for programs.
- Provide clinical supervision for group facilitators
- Other duties as assigned.

Qualifications

- **Master's level degree in psychotherapy, social work, psychology or related field is required.**
- **Must be registered, or eligible for registration with a professional college (e.g. OCSWSSW, or CRPO)**
- Experienced clinical supervisor with five or more years of clinical experience
- Thorough knowledge of trauma therapeutic skills and experience working with domestic violence and adult survivors of childhood abuse.
- Solid understanding of the dynamics of domestic violence and how they affect all members of the family
- Excellent risk assessment skills when working with victim's of domestic violence
- Experience working with children who have been effected by violence
- Commitment to a pro-feminist anti-oppression framework
- Demonstrated understanding working from a Trauma informed framework
- Demonstrated experience working collaboratively with community partners
- Excellent clinical documentation and computer skills
- Fluency in another language an asset
- A satisfactory Vulnerable Sector Screening check
- Valid driver's license and access to a vehicle
- Willing to work within a Catholic values framework

How to Apply

If you are interested in the above opportunity, please send your resume and cover letter to humanresources@cfspd.com. We will be accepting applications until the position is filled.

CFSPD is an equal opportunity employer and is dedicated to hiring staff that reflect the diversity in our community. We will make reasonable accommodations to enable applicants with disabilities to participate in the interview process upon request. We invite candidates from diverse communities to apply.

We thank all applicants for their interest in Catholic Family Services of Peel-Dufferin but we will only contact those selected for consideration.
